

Welcome to La Place Rendez-Vous

We are honored to be your hotel of choice for your visit to Fort Frances.

Please note, due to COVID-19 and our efforts to keep our guests and associates safe, certain services or amenities may be impacted.

Our hotel has taken additional measures to ensure the well-being of our guests with enhanced anti-viral cleaning throughout the hotel and in particular the high touch areas.

At this time, we are not offering housekeeping services. Please contact the front desk for any needs you may have and we will make arrangements to deliver the requested items to you.

If you are joining us for an extended stay, you are welcome to move to a clean room each week or request fresh linens as needed.

Food services are available and reflect current provincial guidelines. Please scan the following QR code using your phone camera to access our limited takeout / room service menu available from 11am to 7pm daily. Call 151 to place an order.

As a reminder, please ensure you are practicing public health guidelines which include wearing a mask, social distancing and frequent hand washing or sanitizing.

If you have any questions regarding your stay with us please contact the front desk. Thank you again for choosing La Place Rendez-Vous.

Bonnie Faragher

Front Desk Manager
