GAMES FOR ALL

DISAPPEARING OBJECTS

Place a group of objects (such as salt shaker, fork, etc.) together in the middle of the table. Tell your little ones to look closely at the objects. Have them close their eyes while you take an object away, now see if your child can tell you which object is missing.

I WENT TO A RESTAURANT...

A memory game. Player one says "I went to a restaurant and ordered a burger." (or any item of their choice) Next player repeats "I went to a restaurant and ordered a burger" then adds their own item "and pancakes". Continue until someone forgets an item.
